## About College

Siddhartha Institute of Engineering & Technology was established in 2008, promoted by Siddhartha Group of institutions which has been in educational field for the past 25 years and produced 20,000 graduate students since its inception. The college is offering UG Courses CSE, CSE-AI&ML, CSE-DS, ECE, EEE, MECH, CIVIL and PG Courses THERMAL, CAD/CAM, STRUCTURAL, COMPUTER SCIENCE, POWER SYSTEMS, VLSI, VLSI & EMBEDDED & MBA branches and aiming for perfection in engineering and management education. It is constantly striving for all round development of the students. Apart from regular academic courses, the college encourages cocurricular activities like seminars, workshops, symposiums etc.

## About the Department

The Humanities and Sciences Department started functioning right from the inception of the Institute in the year 2008. The Department comprises five disciplines namely, English, Mathematics, Physics, Chemistry and Management Sciences. As an integral part of the institute, the prime focus of H & S Department is to provide a conceptual base in Basic Sciences which form a foundation to the Engineering subjects. Apart from this, the department is instrumental in grooming the students into competent Engineers and individuals through training in Soft Skills and Managerial Economics ready to compete for global opportunities. The department takes pride in having experienced faculty with educational and research background from premier universities such as OU, JNTU etc.

## About Program

Coronavirus disease-2019 (COVID-19) was declared a “pandemic” by the World Health Organization (WHO) in early March 2020. Globally, extraordinary measures are being adopted to combat the formidable spread of the ongoing outbreak. Under such conditions, people's adherence to preventive measures is greatly affected by their awareness of the disease.

## About Resource Person

### **Dr.G.Pragathi, MBBS, MD-General, DNB-Cardiology.**

Dr.G.Pragathi is a Consultant Interventional Cardiologist in the Department of Cardiology at Sunshine Hospitals, Hyderabad.

She possesses comprehensive knowledge and expertise in dealing with different conditions of the heart such as Coronary Artery Diseases (MI, NSTEMI, Chronic stable angina), Valvular heart diseases, Heart failure, Cardiomyopathy, Arrhythmias, Hyper tension, Hyper Cholesterolemia, PAD, Congenital heart diseases etc.; their diagnosis and treatment. She has the ability and expertise to implement the most efficient and cost-effective care plans for timely and complete recovery of the patients.
