7. **Brief description about the event :**

Interviews have always been a nerve racking experience. Everybody gets the jitters when it comes to interviews. It is important to understand what is expected from you and whether you fit in that given profile or not. Analyzing your personal strengths and weakness alongside helps in deciding how well the job suits you and how to approach the interview. In this workshop Professor has explained the Dos' and Donts' in the interview. The session was very interesting and knowledgeable.
